A screenshot of a Windows taskbar. On the left, there's a weather widget showing 28°C and "Muy buen día". Next to it is the Start button. A search bar contains the text "Buscar en la web...". To its right are several pinned application icons: a cat icon, File Explorer, Microsoft Edge, Google Chrome, Firefox, Steam, Discord, Spotify, YouTube, and others. On the far right, the system tray shows the date and time as "01:31 p.m. 11/09/2023" along with icons for network, volume, and battery.
